What better way to spend an evening with your fellow Hurricane family than at 'Hurricane Central' for food, drinks, movies, popcorn and TONS of fun?! We will have munchies, the grill fired up to bbq plus sodas, water, some beer and Margarita fixin's - what we ask of you is that you please provide the side dishes and a dessert or two - your favorites would be great, and if you like a specific drink, feel free to bring that along too, a couple coolers will be available! Please RSVP, as soon as possible, with the number in your party and what dish/es or desserts you can bring so we can plan on having enough food for everyone! This is going to be FUN! ☺

Directions to Hurricane Central: Once you RSVP, the directions will be given, depending on which direction you're coming from!
